# 2024 Mixed USBC Conditions of Play

## I. AUTHORITY AND OVERVIEW

These Conditions of Contest may not be changed after commencement of play except for emergency changes. The General Conditions of Contest for USBF events apply to this event but are subject to these Conditions of Contest.

The 2024 Mixed United States Bridge Championship (MUSBC) is held under the authority of the United States Bridge Federation (USBF). The USBF has agreed, unless special conditions arise, to nominate the winning team as USA for the 2024 Mixed Teams at the World Bridge Games. This World Championship is scheduled to take place in Buenos Aires from October 21-Nov. 3, 2024.

Under current USBF procedures, if the USBF Board of Directors believes there is any reason not to nominate all of the players on the winning team for the World Bridge Games, the Board will submit the name(s) of any players about whom the Board has questions to the Credentials Committee for its review. The Credentials Committee review shall be limited to the players' ethics, conduct, deportment and hygiene and shall not take into consideration their bridge ability. Normally, the USBF Board will only follow this procedure based on behavior at or after the USBC or information received after the USBC.

A team with a player who is later not invited or approved by the WBF and/or the USBF for any reason (such as residency, conduct, ethics, hygiene, etc.) may be disqualified should it win the 2024 Mixed USBC.
