Nickell/Mahaffey

People are opening lighter and lighter these days. This hand is a good example ...

Cohler, at favorable, holding the East 10-count, opened 1C. Weinstein had an easy 1S overcall. Cohen stretched a bit and bid 2H on his 9 count. Unlucky for the E/W boys, Levin can take a joke. He jumped to 4S which made with an overtrick.

Nickell, more old school, opened the East hand 3C. In the "old days," jumping around was more effective at disturbing the opponents and keeping them out of the auction. Mahaffey had no call at the three level. He passed and Katz jumped to 5C. Lev doubled and defeated the "save" two tricks! 11 IMPs to Nickell

In Lall/Morris, H Lall opened the East hand 1C. Hinze passed and ultimately he and his partner played in a spade partial. At the other table in that match, Jacobus was able to open a Precision 2C. Zia passed and Passell responded 2H. Pepsi doubled. Jacobus bid 3C. Zia bid 4S and Passell took the save and escaped undoubled. 3 IMPs to Morris

In Fireman/Fleisher, the board was a push. Both tables played in 4S making five.

In Rosenthal/Juster, Wildavsky and Weinstein had a confusing auction (see below) to arrive in 4H doubled E/W. That went down three for -500 while Hamman/Berkowitz saved in 5C doubled, going light only two. 5 IMPs to Rosenthal

**Rosenthal/Juster**

Board 19 was a push in three out of four matches. Five pairs bid 7S and one pair bid 7NT.

It was more exciting in the Rosenthal/Juster match where the action was key. The Grossack brothers were exploring for a grand slam when Rosenthal jumped in and doubled six hearts for a spade lead. At this point, it was still unclear in which major they were going to declare.

Zack was keycarding in hearts and might well have passed 6H if given that option. Once Rosenthal doubled, Zack found another option... he REDOUBLED!

A spade was led. Rosenthal trumped and Grossack claimed 12 tricks. +2070

Zack, solemnly, made the comment that they'd probably lose a few IMPs because 6HXX did not score as much as the spade grand.

Meanwhile back at the other table... Zack was partially right... his opponents did indeed bid a grand... but not the grand they could make. Willenken opened 1H. Merblum preempted 3D. Ginossaur disdained his spade suit and cue bid 4D in support of his partner's hearts. With the favorable vulnerability, Juster muddied the water by jumping to 5S. This had an amazing effect.

Willenken gambled that Ginossaur held two aces and bid 6H. Ginossaur, looking at THREE aces, bid the heart grand. Merblum dutifully led a spade, gaining 19 IMPs for Juster! This hand proves that you never know what is happening at the other table! While Zack was right about the grand, he was wrong about losing some IMPs on the hand!

## This Competition ...

It is interesting to note that in this year's USBC, six married couples entered the competition. While the Sprungs and the Lewises did not make it out of the RoundRobin, and the other four were eliminated in the Round of Sixteen, it is a welcome dynamic to the field. The couples did not all play in partnership with one another. Three played as pairs and three played on different teams. Those playing split were the Rosenbergs (Debbie and Michael), the newlyweds, Sylvia Shi and Dan Korbel, and Beth Palmer and Bill Pettis.

Having been knocked out, we hope to see all six next year in Schaumburg competing for entry in the World Mixed Teams Contest.

**Rosenthal/Juster**

It must have been the Grossacks morning to play slam in hearts. They started out by playing 6HXX on Board 19 (see page 4). They (and most other tables) played a flat 7H on Board 27. Here, on Board 22, they bid 6H off two aces and made it when Silverstein led a diamond.

You have to sympathize with Aaron. His partner did not make a takeout double of 1D, but did make a takeout double of 2H. Logically, he has some strength in diamonds. Unfortunately for Silverstein, the diamond lead allowed Zack to toss his two spade losers on the DAK.

At the other table, Juster aggressively took advantage of the vulnerability and overcalled 1S on his good 4-card holding after Ginossar's 1D opener. Willenken bid 2D transferring to hearts, but when Merblum jumped to 4S, Ginossar passed and Willenken was forced to bid 5H from West.

If played by East, 5H can only be defeated if South leads a trump to his partner's ace and gets a spade through immediately. This is a good illustration of how effective transfers can be in direct competition.

As it was, making 5H would only have saved 4 IMPs.

17 IMPs to Juster!

Instead of bridge,  
 We could play Fish.  
 And I'd request  
 The ACE I wish!

Some days  
 I think this game is fun  
 But not when  
 Every hand's down one!

# Evil Sudoku

Think the comments on Internet posts are tough? See what happened when the Washington Post asked its readers to write intentionally angry letters to actual headlines:

**Headline:** 20,000 Pound Pavement to Help Homeless

**Response:** "Are you people idiots? What the homeless need are homes, not ten tons of additional pavement!"

**Headline:** Maryland Agrees to Tobacco Settlement

**Response:** "Well, that's all we need—an entire settlement of people devoted to their cancer sticks. What's next, a drunk-driving commune?"

**Headline:** C.C. United Se Une Hoy a Campana Solidaria Pro Centroamerica

**Response:** "I was disgusted with the sloppy spelling for [this] article. There were so many typos, I couldn't understand a word."

With spring in the air, everyone's starting to think about spring clean-up so Jeff spent all week after school and all weekend doing odd jobs around the neighborhood to earn some spending money. He tilled gardens, raked leaves, cleaned up tree limbs, pruned hedges, and even spent one afternoon babysitting! Each day he worked for a different neighbor on a different chore. He charged each neighbor a reasonable rate for his work, but sometimes he got tips too. By the end of the week, he was quite pleased with the amount that he'd earned and each of the neighbors was pleased with the quality of work that he'd done. Determine the last name of each neighbor, what chore Jeff completed for each neighbor, what day of the week Jeff worked for each neighbor, how long each task took him (2 to 4 hours), and how much he earned for each task (\$20 to \$36).

1. Jeff helped Mrs. Agnew till her garden but it didn't take him 4 hours. Mr. Summer didn't need help on Thursday.
2. He spent an extra hour working on Thursday than he did on Wednesday but he wasn't pruning hedges on either day.
3. On Sunday, he earned \$8 more than he did when the day he was babysitting, which earned him \$4 more than he earned from Mr. Compton.
4. Jeff made \$20 from the job he spent 2 hours doing, which wasn't removing tree limbs.
5. Mr. Numen, who didn't ask him to rake leaves, paid him \$32 but it didn't take him 3 hours. The job on Friday for Mrs. Fields took less time than the garden tilling job.
6. The hedge pruning job took him 3-1/2 hours to complete, a half hour longer than the job he did on Thursday. Jeff made \$36 from the job he spent 4 hours doing, which was on Saturday.

# Meet the Players

In 1983, 'Dean' Drew Casen quit a career in college administration at NYU to play professional bridge on a full time basis. 'No regrets' claims Drew. 'I pursued my dreams'. Accomplishments include 21 gold and silver medals in National events. He has won the Cavendish Pairs and Cavendish Teams, and has earned a silver medal in the Rosenblum Cup KO.

Other interests include golf, bowling, poker, gin, backgammon, and sports wagering. He is also a die hard fan of the New York Mets baseball team.

Besides playing mostly with his regular life long partner Jim Krekorian, he has also partnered with legendary experts Richard Schwartz and John Onstott.

**Jim Krekorian**, formerly of New York City, now a Pensacolian, graduated from Duke engineering school in 1974 and served as a U.S. Air Force pilot from 1974 to 1981, achieving the rank of Captain, C-130 aircraft commander. Jim traded options on the American Stock Exchange from 1986 to 2003, was a floor official for 5 years, and formed Blue Hercules LLC in 1999. At Duke he was a 3-year letterman in track and is still an avid runner and occasional racer.

Jim is now a full-time bridge professional and consultant, part-time artist, and avid golfer. He won the Life Masters Men's Pairs in 1986 and Life Master Pairs in 2014 with sometimes partner V. Koneru (Col K), the Grand National Open Pairs in 1992 and 2009, the Blue Ribbon Pairs in 1996, the Open BAM Teams in in 1997, and in his renewed partnership with Drew Casen, the Cavendish double (pairs in 1987, teams in 2007) and Senior KOs in 2010.

The boating store was having a big sale on canoes. It was quite the oar deal.

Q. Why did the golfer wear two pairs of pants?

A. In case he got a hole in one.

Q. Why shouldn't you marry a tennis player?

A. Because Love means nothing to them.

In Fleisher/Fireman, at unfavorable, Moss bluffed a 3D raise in competition after Grue opened a normal weak 2D and the opponents had competed as far as 2H. Since Kran- yak was bidding well beyond his partner's 2H, he stopped off and doubled when Moss chirped 3D. Demuy led a spade and Grue was doomed to be down four, but when he mis- guessed the three card end position, he actu- ally went down five. -1400

At the other table, Wooldridge also opened 2D. Martel balanced with double and raised

Fleisher's 2H response to game. A diamond was led to the queen followed by another to the ace. Declarer could make the hand by playing for the preemptor to hold the HQ. Fleisher took the reasonable play of putting the HQ with the non-preemptor and went down one. 16 IMPs to Fireman

In Nickell/Mahaffey, both tables played in part scores.

In both other matches, 4H was the contract of choice. Only one declarer out of four was successful. With no interfer- ence, both Wold and J Lall reached 4H from the North hand. The opening lead was the DK. Both declarers won the ace and being unaware of the 6-2 diamond split, returned the DJ to the queen setting up the DT for a discard. Both Easts returned a third diamond and both Wests trumped with the H9. Not knowing the heart layout, Lall overruffed, promot- ing a trump trick for East and eventually came up a trick short.

Wold, rather than overruffing, discarded the C6. West returned a club and Wold won the ace. Realizing that he needed to draw trumps ending in dummy, Wold played the HT and let it ride. Had Pepsi covered, this would have failed. Wold now finished drawing trumps ending in dummy as planned and took ten tricks.
