Kibitzing on VuGraph...

THERE WILL BE DELAYED KIBITZING FOR ALL OF THE JLALL3 EVENT.

KIBITZING SCHEDULE FOR THE ROUND ROBIN (EDT)... The schedule will be the same each day:

Round 1: 2:30 pm

Round 2: 4:05 pm

Round 3: 5:30 pm

Round 4: 7:50 pm

Round 5: 9:25 pm

KIBITZING SCHEDULE FOR THE KO (EDT)

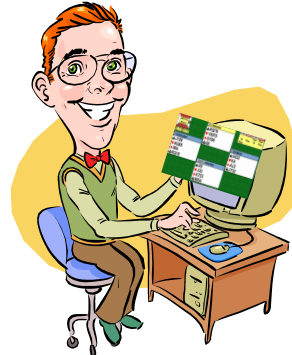

Quarter 1: 1:15 pm

Quarter 2: 3:15 pm

BREAK

Quarter 3: 7:15

Quarter 4: 9:15

Watching online,
Even delayed,
Is the best way to see
How a hand's bid and played!

To kibitz, go to **kibitzrealbridge.online**, enter your name and click on Log In. That will take you to a screen where you can select the event to kibitz.

After you select Kibitz JLall Online Teams #3, you will be taken to a lobby where you will see a list of tables on the left and a chat box and list of people in the lobby on the right. The table listing shows the team & player names at each table, as well as the board and trick that table is playing (that's in the middle of the table, immediately under the table number). Click on a table to kibitz it.

At the table, you will see a hand diagram, and the bidding and play as it happens. You do not get to hear or see the players yet (that's coming).

There is a chat window on the right of the screen (if your browser window isn't large enough to show it, you can click on the "chat" icon immediately above the UNDO button to open the chat window. For now, anyone can type chat into the chat window.

Some things you can do to get more information:

If there is an asterisk next to a bid, that means it was Alerted or Explained. Click on the bid to see the explanation if there was one.

-- "Rewind" the play using the slider underneath the "table" with hand diagram. just move the vertical handle on the slider to the left to go to earlier tricks.

-- Click on the "Scores" button to the left of the South player's name, you will get a scorecard for the match so far. You can use this to get lots of information:

----Click on a board number to see the hand record and results at all the tables.

----You can also click on a number in a yellow box to get to the hand record from some screens.

----In the hand record screen, click on a result to see the bidding and play at a specific table.

--In the upper left corner:

----Click on the yellow box with 4 little boxes to get the match scores for all the matches (that will be IMPs and for the Round Robin will not include scores from previous rounds).

----Click on the yellow box with 3 bulleted lines to get Cross-IMPs for the pairs (that will be just for this match).

The Scores information is also available in the lobby using the button at the upper right in case you want to check on scores before deciding which table to watch.

TIMING OF DELAY

The Round Robin matches will be delayed until each round is completed.

The first half KO matches will be delayed until each board has been played at all tables, so there may sometimes be a period when nothing new is being shown because one or two tables are slow to play the board. **For the second half of the KO matches, the delay will be until the quarter has been completed.**

That means that the 3rd quarter kibitzing will start at 7:15 EDT.

Ralph Katz made a great decision on board 57 in the Nickell/Dawson match to bid 3NT instead of 4H over his partner's opening 3H preempt. He had the perfect fillers in the heart suit and an outside ace. Because he knew Nickell's hearts were broken, Katz judged well that Nickell must have some outside values. On any lead, there were nine tricks for the taking: seven hearts and two pointed aces.

At the other table, Dunitz chose 4H over Itabashi's opening preempt. Weinstein had an easy lead of the DK... immediately setting up two diamonds and two clubs for the defense.

10 IMPs to Nickell

Tsypkin/Rasmussen also bid 3NT making four; and Zhang/Wu bid 3NT making three.

Adam Grossack opened the North hand 4H. Helms led the DQ and Grossack ducked. Helms continued with the DJ won by Grossack's ace. Adam played a spade to the ace and ruffed a spade; a heart to the ace and ruffed a spade; a heart to the

queen and ruffed a spade, Helms shedding a club. Adam played a club to the jack, losing to Marks's ace!! Once Marks won his ace instead of his king, he probably should have cashed the king and exited a diamond to Helm's king. He fell from grace, however, and led the diamond. Helms did not place his partner with the CK and exited a diamond. Contract making!

Grue also opened 4H. Liu led the DK, Grue ducking. The DQ followed, Grue winning the ace. Grue pulled trump ending in hand and ran his C9 to West's king. Silin, rather than continuing diamonds, attacked spades. Grue won the SA, played a second club. Silin won and continued spades and Grue, like Grossack, found himself with 10 tricks.

Place 2 T (29 g) butter in a large skillet over medium high, and working in batches, brown meatballs on all sides until cooked through, about 8 minutes per batch. Transfer to a serving bowl; cover loosely to keep warm. Reduce heat to medium, place remaining butter in skillet, add flour and stir to form a thick paste. Cook, stirring constantly, 2 minutes; then whisk in broth and wine. Bring to a boil, reduce heat; simmer until thickened, about 7 minutes. Pour over meatballs, tossing to coat. Serve immediately.

Like so many bridge hands, Board 61 is completely in the hands of the declarer. There are four club tricks, two diamond tricks, and two spade tricks before any material decision has to be made.

Most Easts led a spade which was won or ducked by declarer... Some led a club. Most declarers ran off some number of club tricks, took the losing diamond finesse, won the spade return and were left to guess the heart position. Declarers who played low to the jack succeeded and those who led low to the king failed.

Who said bridge is an easy game!!!

USBF Supporting Membership

If you don't want to play in the USBF Championships that choose teams to represent the USA in the World Bridge Federation Championships, but do want to aid our events, a **Supporting Membership** can be the perfect way for you to be involved. As a Supporting Member, you are eligible to:

1. Enter the fantasy brackets, run on Bridge Winners, for the USBF trials choosing our Open and Senior teams for the World Championships. The highest-ranking Supporting Member in the fantasy brackets for each of these two events will win the prize of your choice - either an online match against the USBC winners or dinner with them at the next NABC.
2. Receive daily emails during the USBF Championships. These will summarize the previous day's results and provide vugraph information and links to daily bulletins containing pictures and commentary on individual hands.
3. Upon advanced request, make arrangements for you to kibitz a USBF member of your choice for a session once each year – either at an NABC or the USBF Championships.
4. Upon advanced request, we will arrange for you to be one of the vugraph commentators for one session of the team trials.

A Supporting Membership is \$25 for one year (\$75 for 3 years) and the ACBL now offers you the chance to become an USBF Supporting Member when you renew your ACBL membership. If you don't want to wait that long, you can join by choosing the red Donate Now button on the USBF website. Your donation will be used to cover inevitable expenses: attorney fees, accounting fees, website support services, tournament directors, insurance, WBF dues, and vugraph operators. The USBF is an all-volunteer organization. Our meetings are by conference call and at NABCS. Board members and the organization's officers are not compensated for meetings, travel, or hotel expenses.

We hope you will join us.

All About Migry

A Bio With a Difference

It is always difficult to write about oneself, much easier to let other people do it for you. Here is an updated bio which was originally posted on E-Bridge.

Migry Zur Campanile was born in Bucharest, Romania, in a year that is a closely guarded secret. She is now a bridge professional and teacher living in New York with her husband, bridge professional and writer Pietro Campanile. They actually met while playing bridge online. "He was an Italian living in London," says Migry, "but he was desperate to find the right excuse to learn Hebrew, so how could I refuse his invitation to get married?"

"An unruly childhood and adolescence was only partially mitigated by an early induction to the family evening bridge marathons, which caused me many late nights and zombie-like mornings," she reveals.

Migry is one of the top-ranked players in the world and she is the only Israeli player to have won three world championships: in 1998, she won the World Generali Masters in Corsica, in the 2000 Olympiad in Maastricht, she partnered Piotr Gawrys as a member of "Team E-Bridge", which won the World Mixed Teams title. Finally in 2013 she won the Venice Cup, partnering Jill Meyers and representing the USA, the country she had moved to in 2006.

Migry's international career began playing for Israel at the 1984 European Championships in Wiesbaden. Her first notable success was however at the 1991 European Common Market Championships in Athens, where she won a Gold medal in the teams and a Silver medal in the Women's Pairs. Two years later, she again finished second in the pairs at the same event. At the 1995 European Championships in Portugal, she won the Bronze medal in both the team and pairs events, and took the Bronze medal in the teams again in 1997. Migry has won numerous Israeli National titles including the National Teams championship three times, the National Pairs twice, as well as several Mixed Pairs and Mixed Teams titles. Ever since moving to the US, she has won the team trials in 2011 and 2012 as well as many US National titles and countless Regional events.

Other international successes include winning four times the prestigious NEC Cup, partnering Michael Barel in an all-Israeli team, winning the 2005 Maccabiah Games and good placing finishes in the Yeh Cup

Away from bridge, Migry enjoys opera, gourmet cooking (her fabled meatballs enjoy a growing popularity), and jet-setting around the world. "Particularly Seattle, Venice, Yokohama, Albuquerque, Vilamoura, Montecatini, Rhodes, Lille, Salsomaggiore, Maastricht . . . Hmmm do those places ring a bell?"

Jacobs and Vogel are known for some thievery. Board 67 is a perfect example of why.

Jacobs opened a first-seat weak two on queen sixth of spades with two outside features. Wolfson passed with eleven high card points and no six card suit. Vogel, appreciating the favorable vulnerability, boosted Jacobs to 3S and everyone passed.

Wolfson led his HA and shifted to the SJ. Garner won his ace and continued a spade to the king. Jacobs tried the DJ and Garner flew with the ace. Garner played a heart to Wolfson's nine, dummy discarding a diamond. The HK was ruffed and Jacobs pulled the last two trumps. Jacobs played a club toward the JT, Wolfson winning his CK. The HT was ruffed by declarer and the DK was cashed. The CA and C8 tool the last two tricks and the contract failed by one.

In the other room, in the absence of opponent bidding, Bruno and Smith found an unimpeded route to 4H. Cohler led the D9 and Smith rose with dummy's ace. In the fullness of time, Smith lost the CA and the DK to take eleven tricks.

Note that several pairs found their way to 6H... none of them successful!

Perhaps the most imaginative auction was at Chris Compton's table where, like Jacobs and Vogel, his opponents started with 2S followed by a raise to 3S. Having no fear, Compton trotted out 4H on his Qxxxx. Lucky for him, he caught his partner, Koneru, with AKxxx of hearts!

After a 3C opener by North, Bitterman/Cappelli settled in a conservative 3H contract. At twelve tables, E/W declared a more aggressive 4H contract. With the trump finesse working and trumps dividing 3-2 each of the 4H declarers scored +420.

Bob Bitterman could afford four losers in 3H. Tom Reynolds led the D6. Bitterman correctly diagnosed this as a singleton. He rose with the DA and Lance Kerr played the D3 (an effort to tell partner that a club switch was desirable). If North started with a singleton diamond and only two hearts, declarer could stop the diamond ruff by playing the HA and a second heart. The opponents would score two clubs, one diamond and a trump and declarer would make his 3H contract. The heart finesse would only be necessary if North started with exactly three hearts to the king, not the most likely holding for a 3C pre-empt. Bitterman played the HA and a second heart to North's king. Reynolds played a club to Kerr's ace. Kerr cashed the DK and gave Reynolds the diamond ruff. Reynolds cashed his CK for the setting trick.

Playing on the Parker team, Zach Grossack and Stewart Rubenstein were the only pair to bid 6H on Board 79. Zach opened 1NT. 2C was Stayman and over the 2H response, Rubenstein showed his slam going values by jumping to 3S. Holding a five-card heart suit and controls in the other three suits, Zach checked for shortness and used kickback. As long as North's two keycards were not the HK and DA, slam rated to have a reasonable play.

The opening lead was the H3. Declarer won in dummy and led the D3 to his jack and West's ace. Stoltz returned the HT. Zach won and drew the last trump. Since the DK provided a parking place for dummy's second spade, all that was needed was for the clubs to behave. Declarer played the CA followed by the CJ. When the CQ appeared, Zach claimed twelve tricks. At the other table, Dunitz/Itabashi had an identical auction through the 4D bid. Mitch Dunitz, older and less aggressive than Zach signed off in 4H.
